And transform the world through **Ace Panacea's** embrace.

## About Us

- ◆ Founded in 2009, Ace Panacea Life Skills Private Limited has become a national beacon in human resource development, emotional intelligence, and transformative communication.
- ◆ We design and deliver bespoke modules and content with cultural sensitivity, emotional resonance, and international relevance.
- ◆ Our team of certified trainers, creative artistes, and award-winning media professionals collaborate to serve your institution's growth.
- ◆ Whether you require executive training, emotional culture building, communication upskilling, or public engagement through film and voice — our solutions are always strategic, human-centric, and results-driven..

## Leadership You Can Trust

**Dr. Inspiring Ilango**  
**Founder & Managing Director**

- ◆ An international speaker, emotional intelligence consultant, author of a bestselling self-development book, and a self-trained vocalist, Dr. Inspiring Ilango is a visionary who has turned his visual disability into the foundation of his global influence.
- ◆ He holds world records in deep-sea diving and solo paragliding, proving that no barrier is insurmountable.
- ◆ As the living embodiment of resilience, he delivers far more than insight — he delivers inspiration in action.

**Srilatha Ilango**  
**Executive Director**

- ◆ An advocate for women's empowerment and strategic impact, Srilatha Ilango leads with integrity and empathy.
- ◆ She ensures the impeccable implementation across all verticals of training and media.
- ◆ She also serves as Trustee of the Vision Inspiring Ilango Foundation, which champions mental health awareness and social equity across India.

## OUR CORE SERVICES

All our services are custom-designed for business establishments and academic institutions, with online delivery available where applicable.

### 1. English Communication Training – ECE with Ace

A globally benchmarked, 200-hour programme created by Dr. Inspiring Ilango, tailored to help learners speak fluently, write professionally, and present persuasively.

#### Designed for:

- ➊ Business professionals
- ➋ Government departments
- ➌ Colleges, universities, and schools

#### Modules include:

- 📌 Spoken fluency and grammatical accuracy
- 📌 Professional correspondence and business writing
- 📌 Presentation skills and persuasion techniques
- 📌 Accent neutralisation and clarity
- 📌 Confidence-building verbal drills

Results are lasting — your teams and students evolve into poised, global communicators.

## 2. Personality Development Training

A practical, life-shaping journey towards stronger confidence, better relationships, and greater emotional balance.

**Suitable for:**

- ◆◆ Young professionals
- ◆◆ Students preparing for real-world challenges
- ◆◆ Mid-career leaders seeking transformation

We address etiquette, self-leadership, communication finesse, and emotional regulation — building individuals ready to thrive under pressure and lead with poise.

## 3. Inspitainment — A Signature Upliftment Experience

This 2.5 to 3-hour immersive event is crafted by Inspiring Ilango to leave every attendee moved, motivated, and mentally refreshed.

### Programme features include:

- ◆◆ Real-life insights on emotional intelligence and happiness
- ◆◆ Multilingual performances by Inspiring Ilango
- ◆◆ Live piano and vocals by child prodigy Aarvan Vetri Ilango
- ◆◆ Magic by Trick Artiste Aravind
- ◆◆ Acrobatic mime and robotic artistry by movie actor Robot Ganesan

A perfect choice for annual conferences, retreats, festivals, and wellness initiatives.  
This is not entertainment — this is emotional enrichment.

## 4. Motivational Speaking by Inspiring Ilango

Powerful speeches delivered in English, Tamil, or bilingually, tailored to stir courage, deepen self-awareness, and spark transformation.

**Ideal for:**

-  Leadership teams
-  Corporate gatherings
-  Schools, colleges, and universities
-  Start-up founders and social change-makers

With each talk, Inspiring Ilango invites his audience to dream deeper and act bolder.

## 5. Emotional Intelligence Workshops & Monthly Retainership

In a world of complexity, emotionally intelligent organisations outperform the rest.

**Dr. Inspiring Ilango** offers one-time workshops and ongoing consultancy at a mutually agreed monthly remuneration — designed to systematise emotional literacy across your institution.

**Use cases include:**

-  Improving team harmony and collaboration
-  Reducing stress in high-pressure roles
-  Building compassionate leadership cultures
-  Strengthening student emotional resilience

Partnering with us means sustained growth — not temporary training.

## 6. Professional Audio-Video Production for Branding & Publicity

Your story deserves to be seen, heard, and remembered.

We offer full-cycle media production for brand promotions, marketing, awareness, and education.

### Our services include:

- ◆ Brand advertisements and campaign videos
- ◆ Corporate and institutional documentaries
- ◆ Training and explainer films
- ◆ Educational series and digital course content
- ◆ CSR and public awareness campaigns

Available for in-person and remote collaboration, including complete online management of pre-production, voice, and edit.

## 7. Voice Artistry by Dr. Inspiring Ilango

A voice that evokes trust, dignity, and emotional connection.

**Dr. Inspiring Ilango's** voice is available for:

- 📌 Brand campaigns
- 📌 Government awareness programmes
- 📌 Audiobooks and documentaries
- 📌 Educational and public messaging videos

Preferred by prestigious institutions over AI narration — because emotion, when authentic, is irreplaceable.

## Additional Solutions for Holistic Growth
